Academic Reference

For incoming RMIT student Exchange/Study Abroad program applicant. (清同於行自己找自己完皇的专业课老师推荐). This section to be completed by home institution academic staff. This section to be completed by home institution academic staff. Full name of applicant (Student) Name of referee Title/position College/School/Faculty Telephone Email The above student is applying for admission to study at RMIT as an Exchange/Study Abroad student. Your honest estimate of the student's academic abilities, maturity, and preparedness to live overseas is important in determining if the student has the qualities necessary for success in studies overseas. How long, and in what capacity, have you known the applicant? Please add comments which you feel would be helpful in determining the suitability of the applicant for an overseas study experience. Only staff related to the selection of the student for the overseas program will view this document. Day/month/year Date Referee's signature
