Kochi University
International Summer Program 2016

18 July - 27 July

See it! Feel it! Love it!

Conducted and organised by the Center for
International Collaboration Kochi University

About Kochi

Kochi is a small city with a calm, metropolitan vibe, which sits in the shadow of scenic mountains on the south coast of Shikoku. It offers numerous attractions of interest to travellers: a well preserved castle, some of the 88 temples along the Shikoku Pilgrimage, the Sunday market with 500 shops, and the Yosakoi Festival that brings together about 20,000 dancers.

About the program

We are inviting students and faculties of Kochi University's partners around the globe to participate in the short summer program to be held in Kochi, Japan.

Not only can you learn the culture, history, art and geography of Kochi, but it is also a fantastic opportunity to meet new people from Japan and other participating countries.

The program will be conducted in English so you do not need to worry about the language barrier.

Participation Fee

50,000 JPY per person

Included: Accommodation fee, transportation costs within Kochi, admission fees for facilities on study tour
