

In order to be considered for a space in University Village, an applicant must have the following completed and on file with the Department of Housing and Residential Education: (1) a completed Housing Contract, (2) a non-refundable application fee of \$20.00, (3) a refundable housing deposit of \$200.00, and (4) a completed Immunization Form (the Immunization Form must be submitted directly to the Student Health Services Center on campus). The housing deposit is refundable until the Housing Contract is signed by the Director of Housing and Residential Education. Submitting a completed Housing Contract and a \$200.00 housing deposit does not guarantee a room assignment. Room assignments are limited and will be available on a first-come, first-served basis. A room assignment is reserved only upon execution of the Housing Contract by all parties. Housing costs are subject to change.
