

## Global Access Program

### Focus on Legal Studies at UC Berkeley

All facets of our life—both domestically and globally—are impacted and shaped by the various aspects of law. Learn to become tomorrow’s legal innovators in a rapidly changing and globalized world by taking courses in our Legal Studies major.

Join an elite cohort of students in a dynamic, experiential environment. You’ll learn from professors who not only bring their years of experience to the classroom, but who also love to teach law. This unique program provides rich opportunities to study alongside domestic students and experience Northern California’s diverse Bay Area culture.
