# Introducing Bristol

The University of Bristol is a highly ranked Russell Group university with a fantastic reputation. You'll join a global community of students from more than 150 countries, and enjoy life in one of the UK's most exciting cities.

## Global reputation

The University of Bristol is a world-class institution, and your Bristol degree will be impressive to future employers, as the University enjoys fantastic subject rankings in many areas of study. At Bristol, you'll be part of an academic community with a reputation for producing high-achieving graduates.

## International student community

With students from more than 150 countries around the world, you'll enjoy a multicultural study experience at the University of Bristol. You'll meet people from many corners of the globe, and benefit from learning about diverse cultures and different perspectives.

## Outstanding academic history

13 Nobel Prize winners are linked to the University, so as a Bristol student, you'll be following the path of some of the greatest minds in the world. For example, former British Prime Minister Sir Winston Churchill was awarded the Nobel Prize for Literature while he was Chancellor of the University.

## Student life

A beautiful harbour-side city known for its creative flair, Bristol is bursting with culture. With its extraordinary art, live music and shopping, living in Bristol is an experience unlike any other. The Sunday Times recently voted Bristol the best place to live in Britain.

### The Bristol experience

Bristol's fascinating history and vibrant culture have given it a unique, artistic and forward-thinking character. This explains why the city has been named 'European Region of the Future' by the Financial Times, as well as Britain's most musical city by the Performing Rights Society.

### Amazing art

Walking around Bristol, you can find all kinds of original and beautiful art. You will be struck by the dramatic street art and colourful architecture. The city is home to globally renowned street artist, Banksy, and many of his greatest works. Bristol also hosts Europe's largest street art festival, called Upfest.

### Something for everyone

Whatever your interests are, Bristol has something for you. Watch a performance at the Bristol Old Vic, one of the UK's oldest working theatres, or explore some of Bristol's many outstanding museums and art galleries. At the trendy waterfront docks you can experience stylish bars, live music, comedy clubs, restaurants and much more. [Learn more about Bristol online.](#)

 Around  
our  
city

The Clifton Suspension Bridge, built in 1864, is a spectacular sight. The Bridge draws thousands of tourists a year.

College Green is a popular destination for students all year round. A 10-minute walk from the centre of campus. Bristol is home to over 450 green parks and spaces, proportionally more than any other UK city.

# Global Transfer Programme

Our partnership with Nanjing University of Aeronautics and Astronautics has created the Global Transfer Programme.

The Global Transfer Programme provides you with several advantages.

## Guaranteed entry

When you meet our **academic and English language entry requirements**.

## Extra support

**The International Partnerships Team** are here to help you before, during and after your time at Bristol.

## Special events

We will organise special social events and cultural activities, just for our partnership students.

## Exclusive Scholarships

**You can access exclusive scholarships** only available through this partnership.

## Clear requirements

**Understand exactly what grades you need to achieve** to secure your place at Bristol.

## Buddy / mentor scheme

We will match you with a current Bristol student who will help you settle in during your first few months in Bristol.

## Network of partner universities

You will join our network of other partner universities, meeting partner students from all around the world.

## Two Degrees

Graduate with a degree from Bristol and Nanjing University of Aeronautics and Astronautics.

# 38

38 leading universities around the world are part of the Global Transfer Programme

# How do I transfer?

## Transfer pathways

Transfer from your current degree at NUAA onto a related degree at Bristol.

Structure	Degree at NUAA	Degree at UOB
2 + 2	Bachelor of Electrical Information Science and Technology	BEng Electrical and Electronic Engineering

### 2 + 2:

- Study at your home university for two years
- Study at Bristol for two years

Graduate with a degree from both institutions

## What next?

# Why study at Bristol

Bristol's world-class teaching encourages students to become independent, confident, critical thinkers. Providing you the skills you need to become leaders in your chosen careers.

## Academic reputation

Ranked in the top ten for the subject in the UK (Complete University Guide 2022), at Bristol you will learn from world-renowned experts, apply your knowledge in our state-of-the-art laboratories.

## Teaching excellence

Using cutting-edge technologies in fields such as power generation, transport, medicine, quantum information, computing, artificial intelligence, cryptography and communications, electrical and electronic engineers are developing solutions that will shape our future.

## Our facilities

We have invested more than £20 million in a state-of-the-art electrical laboratory, as well as workshops and flexible spaces for teaching and design.

Discover what units you'll study using our [Programme Catalogue](#) to search for your degree

'Electrical and Electronic Engineering at Bristol also stands out as there is an even balance between practical and theoretical learning, which really prepares you for the real challenges of working in industry.'

Andrea, MEng Electrical and Electronic Engineering

# Your career opportunities

Bristol graduates are highly sought after by employers in the UK and overseas. The University is in the UK's top ten for employability (QS Graduate Employability Rankings 2020).

All international students can remain in the UK for two years after graduation using the Post Study Work Visa. The visa grants you working rights in the UK, and you do not need to be sponsored by your employer.

## What can I do with a degree in Electrical and Electronic Engineering?

Demand is growing for skilled graduates to work in industries such as consumer electronics, alternative energy and transport, medical engineering and communications. Through our close collaboration with industry you will benefit from excellent employment prospects.

Our Electrical and Electronic Engineering graduates have gone on to work with:

- BBC
- Intel
- Dyson
- Jaguar
- Landrover

Career options

### Cindy (Hong Kong)

'I really like the Careers Service. There are talks and workshops on different types of employability skills, and employer presentations where you can ask questions directly to your dream company or build connections.'

## Things to do

Bristol's Harbourside is the found in the centre of the city, filled with restaurants, bars, shops and hotels.

The Bristol International Balloon Fiesta is Europe's largest meeting of hot air balloons, taking place every August.

The Victoria Rooms is home to our Department of Music. The Bristol landmark first opened its doors in 1842.

# Entry requirements

We welcome the brightest minds to our campus from across the world. Over 7,500 international students from 150+ different countries call Bristol their home.

To transfer to Bristol, you must meet our academic and English language requirements.

## Academic

- You must achieve a **75% grade average**
- You must study the following optional units:
  - Semi-Conductor Physics and Devices
  - MATLAB Language and Applications
  - Data Structures

## English language

- You must achieve the requirements of **Profile E**:
- 6.5 overall, minimum 6.0 in all bands
- **We also accept other qualifications and tests, including TOEFL**

**You do not need to have met these requirements when you apply.**

You will need to provide evidence that you have reached the required English language level, and our academic requirements, when you apply for your UK visa. You will normally apply for your visa in July.

If you are struggling to meet our English language requirements **you can complete our Pre-Sessional Programme**. This allows students to spend their summer improving their English language and academic skills before starting their degree at Bristol.

# How to apply

Follow these four simple steps.

# 1

## Research

Learn more about the programme at Bristol and studying in the UK. Book a chat with the team if you have any questions.

# 2

## Notify

Talk to your home university and let them know you would like to apply to the partnership.

# 3

## Apply

You must apply by the **31 March 2022**. Contact your Partner Lead at NUAA to apply.

# 4

## Decide

You will need to accept your offer within two weeks. Your place is held until you provide your qualifications later in the summer.

# Fees and scholarships

We want to welcome the brightest minds to our campus and offer several scholarships to support our students.

All students who apply through this partnership will receive an exclusive scholarship. **The UOB-NUAA Strategic Partner Scholarship will reduce your tuition fee by 15%.**

You do not need to apply for the scholarship, it will be automatically applied when you apply. However if you apply using an agent, you won't be eligible for a scholarship.

**Your tuition fee, including the above scholarship, will be £22,015 for the 2022/23 academic year.** Tuition fees will rise by a small amount each year to account for inflation. You should budget for an annual increase of 5%.

## Other scholarships

Our Think Big Scholarship Programme offers a range of scholarships, exclusive to international students, that can help fund your tuition fees. **Applications close on 30 March 2022.**

**Think Big Scholarship Programme**  
Apply for a scholarship online

You can only receive one scholarship from Bristol. If you are shortlisted for multiple scholarships from Bristol, you will automatically receive the higher amount.

## Cost of living

**Your other living expenses** will depend on your way of life. The cost of living in Bristol is around 25% cheaper than London. As a guide, most students spend in the region of £9,000 to £15,000 a year on living expenses, including accommodation, although you may spend more depending on your housing choices and lifestyle.

The Global Lounge organises a range of social events and cultural activities, welcoming all students to our City and campus.

Join our Language Cafes to practice your language skills in a fun and friendly environment. Beginners are welcome.

The Global Lounge enjoys celebrating the traditions and festivities that represent our community of students.

With nine specialist libraries, you'll have all the resources you need to support your studies.

With more than 400 clubs and societies, everyone can belong at Bristol. Bristol SU offers more than 70 sports clubs. All skill levels are welcome.

The University offers world leading teaching, delivered by academics at the forefront of their discipline.

# Our past student experiences

Hear from our graduates as they share memories from their time at Bristol.

**Annie (China)**

‘The lecturers are nice. Every time I send an email to ask questions they reply in good time. I also like the tutorials and Maths Cafés, where you have more time to talk about homework questions – I found that really useful.’

**Aewis (Malaysia)**

‘Bristol was named as the best city to live in the UK some time ago - I guess that says it all. Personally, my favourite thing about Bristol is that it is so happening - whether it's night life, street festivals, or international festivals (such as the Balloon Fiesta).’

**Gaurav (India)**

‘The most useful support for me has been from the Careers Service. They organise multiple events and workshops, some are even catered specifically to international students to help them attain a job and Tier-2 visa in the UK. The various services it provides has helped me develop my skills in a meaningful way.’

# Before you arrive

Settling into a new city can be one of the most exciting partners of university life. Different teams from across the University are here to help.

## Your new home

We guarantee a place in our residences during your first year at Bristol. We offer a variety of residential villages to help you settle into life in the UK. You should apply online for university-managed accommodation by **30 June 2022**.

[👉 Learn more online](#)

## Pre-sessional courses

Our 10-week and 6-week pre-sessional courses offer students the best possible preparation for their studies at Bristol. Our course will provide the academic and English language skills you need to succeed. Courses are only available to offer holders from the University of Bristol.

[👉 Learn more online](#)

## Student visa service

International students coming to the UK to study full-time must apply for a student visa. Our dedicated Student Visa Services team is available to help you from the moment you accept an offer, through to your graduation, and plenty of information online to help you throughout the process.

[👉 Learn more online](#)

Bristol is home to many colourful neighbourhoods. Cliftonwood Road features many Victorian terraced houses, painted in bright colours.

We host one of the largest careers programmes of any university – more than 300 employers visited our campus in 2019, offering presentations, networking opportunities and workshops.
