

**The Housing Application Process**

In order to be considered for a space in University Village, an applicant must have the following completed and on file with the Department of Housing and Residential Education: (1) a completed Housing Contract, (2) a non-refundable application fee of \$20.00, (3) a refundable housing deposit of \$200.00, and (4) a completed Immunization Form. The housing deposit is refundable until the Housing Contract is signed by the Director of Housing and Residential Education. Submitting a completed Housing Contract and a \$200.00 housing deposit does not guarantee a room assignment. Room assignments are limited and will be available on a first-come, first-served basis. A room assignment is reserved only upon execution of the Housing Contract by all parties. Housing costs are subject to change.
